

## OFFICIAL LETTER

Yangon, Myanmar – 22 May 2020

Subject: Postponement of Myanmar Water 2020

Dear Participants,

Due to the recent global travel restrictions and country-wide lockdowns in several regions, organizer of **Myanmar Water 2020** has made a difficult but necessary decision to postpone the event **from 21 – 23 October 2020 at Myanmar Expo to 20 – 22 October 2021 at the same venue.**

After serious consideration and close consultation with our stakeholders, exhibitors and industry partners in the water supply industry, we believe these revised dates will allow more time for normality and confidence to return to the marketplace, ease travel restrictions, and provide all-around better conditions for exhibitors and visitors to engage. The organizing team will reach out to all participants regarding detailed arrangements in due course.

We would like to thank you for your patience and understanding, and greatly appreciate your continuous support of Myanmar Water 2020. Our sole focus remains to provide an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success. We look forward to seeing you again in 2021.
